

Some Great Library Databases

Use *Search Tools* – <http://searchtools.lib.umich.edu/> (Choose “Find Databases”) to connect to any of the Library Databases below...

- *ProQuest* - Covers many topics, has both popular magazine and scholarly journal articles.
- *PsycInfo* - Scholarly, very comprehensive, useful for more than just psychology.
- *CQ Researcher* - In-depth, non-biased coverage of political and social issues in the news.
- *NewsBank* - Newspapers from around the world.
- *GenderWatch* - Indexes international publications devoted to women's and gender issues.
- And hundreds more!

Cite Sources / Format Bibliography

- RefWorks – www.refworks.com/Refworks/ - Save citations from databases and easily format them into any style (APA, MLA, etc.) for your paper.
